If you would like to put on a display (using a stage or arena) we would particularly love to hear from you. There would be no charge/no fee but an opportunity to promote yourselves.

Exhibitors and artists' vehicles (with the exception of the sound crew and fair), will not be allowed to remain on site for health and safety reasons. All vehicles will need to be off site by 11 a.m. and **will not** be able to return before 5.30 p.m. For exhibitors and organisers it is hoped that there will be space available within the GSK car park next door (to be confirmed). Considerable tree work has taken place in the park since the 2008 festival to improve the sight-lines which will hopefully make it easier for visitors to negotiate their way around the site. There will be a change of layout again this year which will include not using the area behind the house but incorporating more people down in the bottom field (where the bar and stage will remain). You will be informed of your location nearer the time.
You may know of others who would wish to attend – forms can be downloaded from the website.
***All funds raised will be used to make continued improvements to Boston Manor Park.**
